

National Industry Scholarship Grant Initiative

EXPRESSION OF INTEREST FORM

This form is for construction and engineering sector women wishing to request additional information or a scholarship grant application form.

Construction and engineering sector women managers/leaders are eligible to apply for scholarship grants at two levels. Please nominate which level of scholarship grant you are interested in.

\$12,000 individual grants for senior level and high potential women to undertake the *Advanced Leadership Program*

\$4,500 individual grants for emerging and mid-level managers to undertake the *Accelerated Leadership Performance Program*

I am interested in scholarship grants for employees
